Abby Davis is a professional organizer located in the New Jersey Tri-state area. After a lifetime of helping family and friends organize their homes, their closets, and their lives, Abby realized organizing was her passion. Abby founded **Assess the Mess** to meet the public's need for organization. In order to expand her reach outside the Tri-state area, Abby launched her blog (www.assessthemess.blogspot.com) to provide organizing tips to the general public.

Abby is an active member of National Association of Professional Organizers (NAPO).

Abby holds a Bachelor's of Science degree from East Stroudsburg University. She began her career as a project manager with a major Pharmaceutical Company. Abby's ability to organize and manage multiple clinical trials enabled her to quickly advance within this field.

Abby lives in highly organized townhouse in Phillipsburg, NJ where she is lucky enough to have the closet of her dreams. An entire room that has been converted to a walk-in closet! Outside of organizing, Abby's passions include cooking, traveling, and taking care of her chocolate lab Bailey. Her accomplishments can now also include finisher of the New York City Marathon.
